

Website Guidelines and Policies

This policy shall apply to all http material residing on www.riverviewpark.ca

Purpose of the riverviewpark.ca website

The purpose of the riverviewpark.ca website is to provide a single portal to access information about and of interest to Riverview Park and information for its residents. The website serves as a resource which contains general information, community announcements, and current news, information about the Riverview Park Community Association and the City as well as links to other websites.

Website responsibilities

Technical maintenance of the riverviewpark.ca website and operating systems shall be the responsibility of the Communications Chair of the Riverview Park Community Association (hereafter called, webmaster).

The policies for the riverviewpark.ca website shall be set by the Riverview Park Community Association's Board of Directors.

The creation and maintenance of the files and core content of the website shall be the responsibility of the webmaster. The webmaster shall enforce all web policies, maintain a high standard of quality for pages on the site and be responsible for the website.

Website content policies and guidelines

The Riverview Park Community Association's Board of Directors recognizes the value and potential of creating files of electronic information on the internet. All users are encouraged to publish and submit information consistent with the mission, interest, standards and policies of the RPCA. Information placed on the riverviewpark.ca website plays an important communication role in Riverview Park. It should be creative, diverse and in good taste. The website is an open public document available to anyone, anywhere in the world. Those who place information on the site must realize the responsibilities inherent in this form of electronic publishing.

Content of all submissions must comply with local, provincial and federal laws including, but not limited to copyright, libel and indecency statutes. The editor reserves the right to edit, delete, modify, vet and/or change any material sent or posted to its web site in whole or in part at its sole discretion.

Links

The RPCA website contains links to other websites. These links are provided solely as a convenience to our readers and should not be considered an endorsement by the RPCA of the contents of such third party websites. The RPCA is not responsible for the content or accuracy of materials on such websites. If users access linked or framed third party websites, they do so at their own risk. The RPCA encourages users to be aware of this upon leaving our website and to read the privacy policies or statements of each website which may collect any information from you.
